LIST 7 – WEEK 26

The prefix **un**

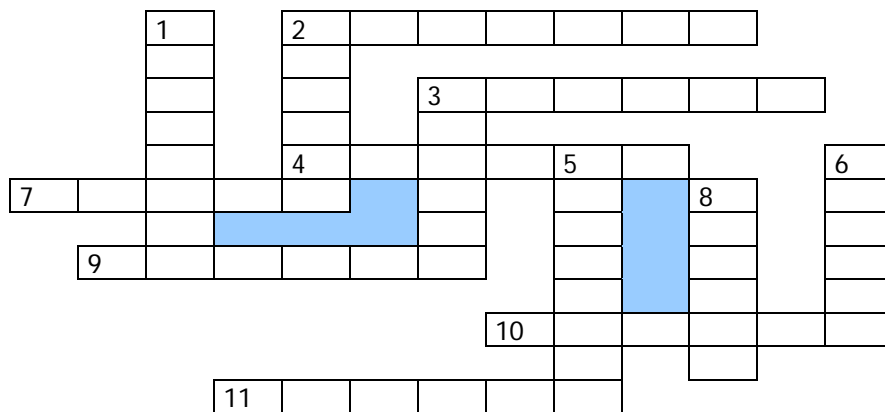

A prefix is a group of letters added to the beginning of a word to change its meaning. The prefix **un** means not or opposite of. Do not change the spelling of the base word when you add the prefix **un**.

Un + happy = unhappy or not happy

un + true = untrue		un + tie = untie	
un + fair = unfair		un + lock = unlock	
un + kind = unkind		un + cover = uncover	
un + wise = unwise		un + wrap = unwrap	
un + safe = unsafe		un + plug = unplug	
			un + pack = unpack
			un + button = unbutton
			un + willing = unwilling
			un + even = uneven
			un + opened = unopened

1. What prefix was added to each base word to make the words in the last column? _____
2. Was the spelling of the base word changed when the prefix was added? _____

A. Practice the words: Use each clue to find a spelling word that fits in the puzzle.

Across: 2. to take the lid off 3. not playing by the rules 4. to pull out a plug
 7. ___ your shoelaces 9. ___ the door 10. dangerous
 11. not nice

Down: 1. to loosen buttons 2. false 3. to take clothes from a suitcase
 5. closed 6. foolish 8. to take off wrapping paper

B. Find the base form of one of your spelling words. Add the prefix **un** to the word. You will make a word with the opposite meaning.

1. Julie said the test was fair. _____
2. Bill told a true story. _____
3. Remember to tie your shoe. _____
4. The hem of the skirt was even. _____

Answers to puzzle – List 7 – week 26 -

Across: 2. uncover 3. uneven 4. unplug 7. untie 9. unlock 10. unsafe 11. unkind

Down: 1. unbutton 2. untrue 3. unpack 5. unopened 6. unwise 8. unwrap

LIST 7 – WEEK 27

The prefix re

The prefix **re** means again or back. Don not change the spelling of the base word when you add the prefix **re**.

re + paint = repaint or paint again

re + write = rewrite		re + wind = rewind	re + tell = retell
re + fill = refill		re + visit = revisit	re + turn = return
re + read = reread		re + heat = reheat	re + take = retake
re + paint = repaint		re + teach = teach	re + print = reprint
re + pay = repay		re + build = rebuild	re + place = replace

1. What prefix was added to each base word to make the words in the last column?
2. Was the spelling of the base word changed before the prefix was added?

A. Practice the words. Change the underlined words in each sentence to one spelling word.

1. Please fill my glass again. _____
2. Ms. Gomez will teach the lesson again. _____
3. Will you tell my favorite story again _____
4. Ken should pay back the quarter he owes you. _____
5. Val wants to paint her room again. _____
6. They are going to build the club house again. _____
7. I will heat the soup again for lunch. _____

B. Make four new words from each base word below. Add the prefix **re or one of the endings shown in the example below.**

Example: 1. write <i>rewrite</i> _____ <i>writer</i> _____ <i>writing</i> _____ <i>rewrites</i> _____	2. paint _____ _____ _____ _____	3. teach _____ _____ _____ _____
4. build _____ _____ _____ _____	5. fill _____ _____ _____ _____	6. read _____ _____ _____ _____

C. Write the **re form of each new word in alphabetical order. Then look up each word in your spelling dictionary and complete the definition.**

think	view	mind	bound	gain	new
-------	------	------	-------	------	-----

- | | |
|---------------------|---------------------|
| 1. _____ = to _____ | 5. _____ = to _____ |
| 2. _____ = to _____ | 6. _____ = to _____ |
| 3. _____ = to _____ | |
| 4. _____ = to _____ | |

LIST 7 – WEEK 28

Contractions

A **contraction** is made from two words. When the two words are put together, an **apostrophe (´)** takes the place of one or more letters.

let + us = let's		were + not = weren't		what + is = what's
are + not = aren't		I + have = I've		who + is = who's
did + not = didn't		you + have = you've		he + will = he'll
do + not = don't		that + is = that's		we + will = we'll
was + not = wasn't		how + is = how's		we + are = we're

1. The words in the last column are **contractions**.
 2. Were any letters left out when the words were put together?
 3. In each contraction, an apostrophe takes the place of one or more letters.
 4. Draw an apostrophe. _____
- A. Practice the words. Write the contractions in alphabetical order in the first column. Answer the questions at the top of the second and third columns.

	Contractions	What two words is it made from?	What letter(s) does the ´ replace?
1.	<u>aren't</u>	<u>are not</u>	<u>o</u>
2.	_____	_____	_____
3.	_____	_____	_____
4.	_____	_____	_____
5.	_____	_____	_____
6.	_____	_____	_____

Other contractions:

7.	<u>aren't</u>	<u>are not</u>	<u>o</u>
8.	couldn't	_____	_____
9.	shouldn't	_____	_____
10.	hasn't	_____	_____
11.	doesn't	_____	_____
12.	hadn't	_____	_____
